QUALITY ★★★☆☆

i-Jack AD 35/63

Mobile audio adapter, 3.5 audio jack bush to 6.3 mm audio jack

The three-star jack adapter from 3.5 mm to 6.3 mm has been made exclusively from high-quality materials to achieve interference-free and clean signal transmissions. The use of high-quality materials and the strong metal plug ensure that signals remain pure and connections stable. 24- carat gold-plated contacts are responsible for good reliable transmissions and great protection against corrosion.

Features

- ✓ 24- carat gold-plated contacts
- ✓ Reliable contact
- ✓ Perfect for headphones, TVs
- ✓ Metal housing
